Corrigendum

Diabetic nephropathy—where next?

A.O. PHILLIPS

*From the Institute of Nephrology, University of Wales College of Medicine, Cardiff*

*Q J Med 2000; 93: 643–6*

Final paragraph page 645, ninth line
The sentence should read:

However, these intervention strategies, even when implemented successfully, are unlikely to do more than slow the rate of decline in renal function.
