

**NOTICE OF WITHDRAWAL: Stratigraphy of the Eocene–Oligocene Titus Canyon Formation, Death Valley, California, and Eocene extensional tectonism in the Basin and Range**

Nikolas Middttun, Nathan A. Niemi, and Bianca Gallina

At the request of the authors, *Geosphere* withdraws “Stratigraphy of the Eocene–Oligocene Titus Canyon Formation, Death Valley, California, and Eocene extensional tectonism in the Basin and Range,” by Nikolas Middttun, Nathan A. Niemi, and Bianca Gallina (<https://doi.org/10.1130/GES02363.1>). Permissions issues regarding some of the compiled data require that the authors revise the paper.
