

APPENDIX C: LIST OF INTERVIEWEES—KEITH BEVANS'S UROP PROJECT

The following black members of the classes of 1996 and 1998 were interviewed by Keith V. Bevans (class of 1996), as part of a UROP project supervised by me in the spring of 1996. Keith's primary objective was similar to mine—to acquire opinions, suggestions, and insights about the MIT experience, particularly its impact on black students.
