

Acknowledgments

Our contribution has been to draw this volume together, a modest undertaking in comparison with the contributions made by others. Still, the editors' names are the only ones that appear on the front cover. The many authors, who tell their own stories of being involved in innovation, design, and democracy, have their names in the book. Their stories would, however, not have been possible without the contributions of other participants, human and non-human. Numerous books and articles are among these influential participants. They and their authors are named in lists of references throughout the book. But the most central contributors to these marginal notes—the true makers of this book—are the many direct and indirect participants in the various design encounters. Your toils are the stuff that has made these stories possible. We acknowledge your contributions even though most of your names do not shine from the pages of the book and many are missing from the alphabetical list of participants that follows: Aisha, Alima, Aluma, Amaduh Bah, Amanda Dahllöf, Andrea Botero, Ann Light, Anto Tomic, Archipelago of Futures Workshop 2012, Arduino Boards, Artcom, Attendo, Bambuser, Barbara Andrews, Barbro Lindén, Barn i stan, Behrang Miri, Bertil Björk, Bertil Löwgren, Birgitte Hoffmann, Birthe Muller, Bjarne Stenquist, Björn Wäst, Bo Reimer, Carin Hernqvist, Caroline Lundholm, Catalina Alzate, Centre for Science Studies at Lancaster University, Centrum för publikt entreprenörskap, Charlotte Petersson, Charlotte Ziethen, Cristiano Storni, Christina Merker-Siesjö, Cia Borgström, Coompanion, Cykelköket, David Hakken, Delia Grenville, Do-Fi, DoDream, Ebrima Jameh, Embroidery machine, Endre Dányi, Epsilon, Eva Brandt, Eva Renhammar, Fabriken, Fabriken machines (laser-cutter, CNC mill, sewing machines, overlock machines, saw, belt sander), Fabriken handtools, Feedus, Fiona Winders, Forskningsavdelningen, Fredrik Björk, Fredrik Rakar, Good World, Hanna Sigsjö, Helene Broms, Helene Granqvist, Herrgårds Kvinnoförening, Hjalmar Falk, Hungerprojektet, illutron, Ingemar Holm, Inkonst, Jennie Järvå, Jila Moradi, Joakim Halse, Johan Dahlén, Johan Salo, Jonas Löwgren, Kommission för ett socialt hållbart Malmö, Lars Flygare, Lena Eriksson, Lene Alsbjørn, Leverhulme Trust, Li Jönsson, Lisa Lundström, Louise Brønnum, Lucy's laptop (without which it would all be very different), Luisa Carbonelli, Malmö
