Library of Congress Cataloging-in-Publication Data

Names: Demortain, David, author.

Title: The science of bureaucracy : risk decision-making and the US Environmental Protection Agency / David Demortain.

Description: Cambridge, MA : The MIT Press, [2019] | Series: Inside technology series | Includes bibliographical references and index.

Identifiers: LCCN 2019010651 | ISBN 9780262537940 (pbk. : alk. paper)

Subjects: LCSH: United States. Environmental Protection Agency--Management--History. | Risk management--Government policy--United States--History. | Environmental policy--United States--Decision making. | Environmental policy--United States--History.

Classification: LCC TD171 .D46 2019 | DDC 363.700973--dc23
