

## Acknowledgments

The editors would like to thank Reynolds Smith at Duke University Press for his interest in this project and Ryan Perry for his work on the bibliography. We are also grateful for the time and attention two anonymous readers for Duke devoted to this volume, improving it with their criticism.

A part of Kathleen Davis's essay "The Sense of an Epoch" was published in her book *Periodization and Sovereignty: How Ideas of Feudalism and Secularization Govern the Politics of Time* (2007) and appears here, in a different form, by permission of the University of Pennsylvania Press. Bruce Holsinger's essay "Empire, Apocalypse, and the 9/11 Premodern" first appeared in *Critical Inquiry* 34, no. 3, ©2008 by the University of Chicago Press. All rights reserved. The author modified this essay for the present volume. We thank these publishers for permission to adapt these essays here.
