

*Accounting Horizons*  
**Annual Manuscript Processing Report**  
**Ella Mae Matsumura and David A. Ziebart, Co-Editors**  
**Data from July 1, 2007 to June 30, 2008**

**Manuscripts Processed:**

In process at start of year	37
New submissions for the year	113
Less papers referred to another journal without formal review	(23)
Less withdrawals	(1)
Total available to be evaluated	126
Less new invited commentaries (9 accepted)	(9)
Accept/Reject	15/44
In process at end of year	58

**Acceptance Rates:**

Number of acceptances/new submissions (15/113)	13%
Number of acceptances including new invited commentaries/total available to be evaluated (24/126)	19%

**Processing Time:**

	<b>Days</b>
1st Round Review	60.6
2nd Round Review	62.7
3rd Round Review	33.6

Processing time is from the time the paper was sent to the referees until the editor's decision and is only computed for those papers that completed the indicated review round by the cut-off date. Average turn-around time from receipt of a reviewable manuscript until the manuscript was sent out for review was 11.9 days.
