Erratum: Resonant Excitation of Disk Oscillations in Deformed Disks. VI.
Stability Criterion Revisited

In the paper [PASJ 65, 75 (2013)], there is a typographical error in Abstract. From the fifth to sixth lines in Abstract, there is a statement “These oscillations are resonantly excited if $E_1E_2 > 0$, ···.” In this statement, $E_1E_2 > 0$ should be read “$(E_1/\omega_1)(E_2/\omega_2) > 0$.”
