NUTRITION EDUCATORS' BREAKFAST

ASCN Committee on Medical/Dental School and Residency Nutrition Education

The Committee on Medical/Dental School and Residency Nutrition Education of The American Society for Clinical Nutrition will hold a breakfast meeting for nutrition educators from 7:00-9:00 AM on Wednesday, March 22, 1989 at the New Orleans Hilton, New Orleans, LA. A panel of nutrition educators and medical school administrators will discuss the impact and uses of the guidelines for priority nutrition topics in a medical school curriculum. There will also be a presentation of the status of the committee's activities regarding the assessment of nutrition training in residency programs.

There is no charge for the breakfast but pre-registration is required. To register, please complete the attached form and return it to the address below by March 1.

Assistant Research Professor

Excellent opportunity for a person with a masters or Ph.D. degree in the Department of Neurosurgery at the University of Kentucky. Responsibilities include supervising and developing metabolic and nutritional research; preparing research grant applications; obtaining financial support for the metabolic and research unit; collaborating with other departments and individuals within the Medical Center; serving as a coordinator of clinical research efforts in the Division of Neurosurgery; and preparing manuscripts for publication. Competitive salary and benefit package, including excellent educational benefits. To apply, send resume to: Renée Phillips, Division of Neurosurgery, University of Kentucky Medical Center, Lexington, KY 40536-0084

West Virginia University School of Medicine is seeking a physician to occupy the endowed Compton Chair of Nutrition in the Department of Medicine. This individual should have research and clinical experience in nutrition/metabolism and will be expected to continue these activities in addition to directing a multidisciplinary nutrition program. Program emphasis includes cardiovascular diseases and cancer.

Send CV to Theodore A. Kotchen, M.D., Chairman, Department of Medicine, West Virginia University Medical Center, Morgantown, West Virginia 26506.

EE/AA Employer. Deadline for receipt of CV's is February 1, 1989.

ASSISTANT PROFESSOR
NUTRITIONAL EPIDEMIOLOGY

The University of Minnesota School of Public Health announces a tenure-track faculty position in nutritional epidemiology. This is a joint appointment in the Division of Human Development and Nutrition and the Division of Epidemiology. Requirements include: doctorate in nutrition, epidemiology, medicine, or closely related field; at least two years of research and/or teaching experience, including the methods of nutritional epidemiology; publication record in peer-reviewed journals. Primary responsibilities include: development of a research program focusing on relationships between nutrition and the major chronic diseases, a preferred emphasis is cancer etiology and prevention; collaboration with ongoing research projects; preparation of research grant proposals; assisting in the development of a course in nutritional epidemiology; and advising graduate students. The position is available on or about July 1, 1989. Submit vitae and cover letter including three references by March 1, 1989, to

Marilyn Buzzard, Ph.D.
Division of Human Development and Nutrition
School of Public Health
Box 198 Mayo
