Co-Editors’ Note – Thank you to Reviewers

The Editors would like to thank those listed below who have given their valuable help over the last year, between 1st October 2013 and 30th September 2014, in the review of manuscripts submitted to The British Journal of Social Work.

“As Editors we are committed to using the high submission rates to the journal as an opportunity to sharpen the focus and further develop the high quality of papers published. We rely heavily on the quality of reviews to do that. We hope our recent updating of advice to reviewers is helpful but realise that it is the committed professionalism of our reviewers that we really depend on.”
