CORRIGENDUM

Review: New Perspectives: Redefining the Middlebrow

Isobel Maddison

Shortly after publication of this article it was brought to our attention that one of the editors of the reviewed title, Middlebrow Literary Cultures: The Battle of the Brows, 1920–1960, Mary Grover, has had her name misspelled in the text. She has been referred to as Drover, rather than Grover.

This corrigendum corrects this mistake and we apologise for this error.
