Correction to: Artificial intelligence helps drive new frontiers in ecology

This is a correction to: Niki Wilson, Artificial intelligence helps drive new frontiers in ecology, BioScience, Volume 74, 4 Issue 5, May 2024, Pages 306–311, https://doi.org/10.1093/biosci/biae016

In the originally published version of this article, Barbara Han’s attribution was incorrectly stated as Cary Institute of Ecological Studies in article text. This has been corrected to read Cary Institute of Ecosystem Studies.
