

# Peroxynitrite Detection in Biological Media

## Challenges and Advances

## **RSC Detection Science Series**

### *Editor-in-Chief:*

Professor Michael Thompson, *University of Toronto, Canada*

### *Series Editors:*

Dr Sub Reddy, *University of Surrey, Guildford, UK*

Professor Damien Arrigan, *Curtin University, Australia*

### *Titles in the Series:*

- 1: Sensor Technology in Neuroscience
- 2: Detection Challenges in Clinical Diagnostics
- 3: Advanced Synthetic Materials in Detection Science
- 4: Principles and Practice of Analytical Techniques in Geosciences
- 5: Microfluidics in Detection Science: Lab-on-a-chip Technologies
- 6: Electrochemical Strategies in Detection Science
- 7: Peroxynitrite Detection in Biological Media: Challenges and Advances

### *How to obtain future titles on publication:*

A standing order plan is available for this series. A standing order will bring delivery of each new volume immediately on publication.

### *For further information please contact:*

Book Sales Department, Royal Society of Chemistry, Thomas Graham House, Science Park, Milton Road, Cambridge, CB4 0WF, UK
