#### Library of Congress Cataloging-in-Publication Data

Names: Becker, Christoph (Director of the Digital Curation Institute), author.

Title: Insolvent : how to reorient computing for just sustainability / Christoph Becker.

Description: Cambridge, Massachusetts : The MIT Press, [2023] | Includes bibliographical references and index.

Identifiers: LCCN 2022038283 (print) | LCCN 2022038284 (ebook) | ISBN 9780262545600 | ISBN 9780262374651 (epub) | ISBN 9780262374668 (pdf)

Subjects: LCSH: Electronic data processing—Social aspects. | Computer systems—Environmental aspects. | Information technology—Social aspects. | Sustainable development.

Classification: LCC QA76.9.C66 B435 2023 (print) | LCC QA76.9.C66 (ebook) | DDC 303.48/34—dc23/eng/20221121
