Movement Matters

How Embodied Cognition Informs Teaching and Learning

Edited by: Sheila L. Macrine, Jennifer M.B. Fugate

Citation:

Movement Matters: How Embodied Cognition Informs Teaching and Learning

Edited by: Sheila L. Macrine, Jennifer M.B. Fugate

DOI: 10.7551/mitpress/13593.001.0001

ISBN (electronic): 9780262368995

Publisher: The MIT Press

Published: 2022

OA Funding Provided By:

The open access edition of this book was made possible by generous funding from Arcadia—a charitable fund of Lisbet Rausing and Peter Baldwin.

The open access edition of this book was made possible by generous funding from the Arcadia Fund.

The MIT Press would like to thank the anonymous peer reviewers who provided comments on drafts of this book. The generous work of academic experts is essential for establishing the authority and quality of our publications. We acknowledge with gratitude the contributions of these otherwise uncredited readers.

This book was set in Times New Roman by Westchester Publishing Services.

Library of Congress Cataloging-in-Publication Data

Names: Macrine, Sheila L., editor. | Fugate, Jennifer M. B., editor.

Title: Movement matters : how embodied cognition informs teaching and learning / edited by Sheila L. Macrine and Jennifer M.B. Fugate.

Description: Cambridge, Massachusetts : The MIT Press, [2022] | Includes bibliographical references and index.

Identifiers: LCCN 2021031218 | ISBN 9780262543484 (paperback)

Subjects: LCSH: Perceptual-motor learning. | Human body in education. | Cognition in children. | Effective teaching.

Classification: LCC LB1067 .M746 2022 | DDC 370.15/5—dc23/eng/20211116
