# Rational Accidents

## Reckoning with Catastrophic Technologies

By: John Downer

### Citation:

*Rational Accidents: Reckoning with Catastrophic Technologies*

By: John Downer

DOI: 10.7551/mitpress/8844.001.0001

ISBN (electronic): 9780262377010

Publisher: The MIT Press

Published: 2024

The open access edition of this book was made possible by generous funding and support from MIT Press Direct to Open

#### Library of Congress Cataloging-in-Publication Data

Names: Downer, John (John R.), author.

Title: Rational accidents : reckoning with catastrophic technologies / John Downer.

Description: Cambridge, Massachusetts : The MIT Press, [2023] | Series: Inside technology | Includes bibliographical references and index.

Identifiers: LCCN 2023002845 (print) | LCCN 2023002846 (ebook) | ISBN 9780262546997 (paperback) | ISBN 9780262377027 (epub) |

ISBN 9780262377010 (pdf)

Subjects: LCSH: Reliability (Engineering) | Aircraft accidents—Prevention. | Risk assessment. | Industrial accidents—Prevention.

Classification: LCC TA169 .D69 2023 (print) | LCC TA169 (ebook) | DDC 620/.00452—dc23/eng/20230202
