## Erratum

The following correction should be made in the paper, entitled "Further Investigation of a Variant of the Placental Alkaline Phosphatase in Human Hepatic Carcinoma," by Kazuya Higashino, Shunjiro Kudo, and Yuichi Yamamura, published in the December 1974 issue of *CANCER RESEARCH*. Page 3349, line 3 in the legend to Table 2, presently reads "Activity remaining was expressed as . . . ." This should read "Activity inactivated was expressed as . . . ."
