COLLECTED PERSPECTIVES IN CANCER RESEARCH

Cancer Research is pleased to announce the availability of a new publication, *Collected Perspectives in Cancer Research: 1983-1985*. This collection is composed of articles originally published under the category "Perspectives in Cancer Research" in the 1983, 1984, and 1985 volumes of the journal *Cancer Research*. In these articles, leading scientists explore current and sometimes controversial aspects of investigation into the cancer problem, analyzing recent progress and presenting their ideas on where such research may or should be heading. This compilation of their incisive and stimulating viewpoints will serve as an invaluable resource and teaching tool for the cancer research community. Copies of this publication may be ordered from: Ms. Penny Bell, Waverly Press, Inc., Easton, Maryland 21601, at a price of \$8.00 per copy. Orders outside the U. S. and Canada add \$2.00/copy to offset postage costs.

METHODS COURSE IN FLOW CYTOMETRY

A program, entitled "Methods Course in Clinical Flow Cytometry," will take place on October 7 to 11, 1986, in Chicago, Illinois. This course is cosponsored by Northwestern University McGaw Medical Center and Smith Kline and French Laboratories. The registration fee is \$595; the course qualifies for Category I and Continuing Medical Education credit. For more information, contact: Dr. Paul Karl Horan, Department of Cell Biology (L102), Smith Kline and French Laboratories, 709 Swedeland Road, Swedeland, PA 19406. Telephone: (215)270-4846.

AMERICAN CANCER SOCIETY: PEDIATRIC ONCOLOGY SYMPOSIUM

The University of Kansas Medical Center and the Kansas Division of the American Cancer Society will sponsor a program, entitled "American Cancer Society: Pediatric Oncology Symposium," which will take place on October 17, 1986, in Kansas City, Kansas. For more information, contact Carole Rosen, Office of Continuing Education, University of Kansas Medical Center, 39th and Rainbow Boulevard, Kansas City, KS 66103. Telephone: (913)588-4480.

SEVENTY-SECOND ANNUAL CLINICAL CONGRESS OF THE AMERICAN COLLEGE OF SURGEONS

The Seventy-second Annual Clinical Congress of the American College of Surgeons will take place from October 19 to 24, 1986, in New Orleans, Louisiana. For more information, contact: Sally Garneski, American College of Surgeons, 55 East Erie Street, Chicago, IL 60611. Telephone: (312)664-4050.

PROGRAMS IN OBSTETRICS AND GYNECOLOGY

The Rush Medical College of the Rush-Presbyterian-St. Luke's Medical Center and the Sinai Hospital of Detroit will present the Second International Conference on Human Papillomaviruses and Squamous Carcinoma, which will be held from October 27 to 29, 1986, in Chicago, Illinois. In connection with this conference, a program, entitled "The Art of Colposcopy: a Tutorial," will take place on October 23 to 25, and a program, entitled "Gynecologic Laser Course," will be held on October 26; both courses will be held in Chicago. For more information, contact: Barbara Trejo, University Office of Continuing Education, Rush University, 600 South Paulina Street, Chicago, IL 60612. Telephone: (312)942-7095.

CHEMOTHERAPY FOUNDATION SYMPOSIUM VII

The Chemotherapy Foundation Symposium VII, entitled "Innovative Cancer Chemotherapy for Tomorrow," will be held in New York City on November 12 to 14, 1986. This meeting is presented by the

Division of Medical Oncology of the Department of Medicine, the Department of Neoplastic Diseases, and the Page and William Black Postgraduate School of Medicine of the Mount Sinai School of Medicine. Registration fees are \$300 for physicians and \$75 for staff, fellows, and other health care professionals. The symposium meets the criteria for 20 hours in Category I of the Physician's Recognition Award of the American Medical Association and for 20 cognates in Formal Learning by the American College of Obstetricians and Gynecologists. For more information, contact: Director, the Page and William Black Postgraduate School of Medicine, One Gustave L. Levy Place, New York, NY 10029. Telephone: (212)650-6737 or (212)650-6772.

FIRST CONFERENCE ON DNA TOPOISOMERASES IN CANCER CHEMOTHERAPY

The First Conference on DNA Topoisomerases in Cancer Chemotherapy will take place on November 19 and 20, 1986, in New York City. The registration fee is \$80 for physicians; for trainees and students, \$30. For more information, contact: New York University Medical Center, Postgraduate School, 550 First Avenue, New York, NY 10016. Telephone: (212)340-5295.

SECOND INTERNATIONAL WORKSHOP ON MONOCLONAL ANTIBODIES AND BREAST CANCER

The Second International Workshop on Monoclonal Antibodies and Breast Cancer will be held on November 20 and 21, 1986, in San Francisco, California. This conference is organized by the John Muir Cancer and Aging Research Institute with the cooperation of the International Association for Breast Cancer Research. For further information, contact: Dr. Roberto L. Ceriani, John Muir Cancer and Aging Research Institute, 2055 N. Broadway, Walnut Creek, CA 94596. Telephone: (415)943-1167.

INTERNATIONAL CONTINUING MEDICAL EDUCATION SERIES

The Boston University School of Medicine will sponsor several programs as part of its International Continuing Medical Series. A program, entitled, "Controversies in Medicine," will take place in Maui, Hawaii, from December 2 to 9, 1986; this course meets the criteria for 24 credit hours in Category I of the American Medical Association (AMA). From December 24, 1986, to January 2, 1987, a program, entitled "Recent Advances in Pediatrics," will take place in Cancun, Mexico; this course meets the criteria for 20 credit hours of Category I of the AMA. A course, entitled "Controversies in Medicine and Surgery," will be held from February 10 to 17, 1987, and then again from February 17 to 24 in Maui, Hawaii; this course qualifies for 24 credit hours in Category I of the AMA. The fee for each of these programs is \$350. For more information, contact: Department of Continuing Medical Education, Boston University School of Medicine, 80 East Concord Street, Boston, MA 02118. Telephone: (617)638-4605.

AIDS AND THE NERVOUS SYSTEM

A program, entitled "AIDS and the Nervous System," will take place on December 11 and 12, 1986, in San Francisco, California. Presented by the Department of Neurosurgery of the University of California School of Medicine, San Francisco, this symposium is designed to present the most recent information on the care of AIDS patients with neurological disease. This program meets the criteria for 10 hours in Category I of the American Medical Association. For further information, contact: Extended Programs in Medical Education, Room 569-U, University of California, San Francisco, CA 94143. Telephone: (415)476-4251.

INTERNATIONAL SYMPOSIUM ON BREAST CANCER

The Tata Memorial Center, Bombay, and the Association of Surgeons of India will sponsor an International Symposium on Breast Cancer, which will be held from January 1 to 4, 1987, in New Delhi, India. This symposium will address the current state of the art in all aspects of breast cancer that are of interest to clinicians. For more information, contact: Dr. I. Mitra, Organizing Secretary, Tata Memorial Hospital, Dr. Ernest Borges Marg, Parel, Bombay 400 012, India. Telephone: 4129750.

1987 UCLA SYMPOSIA ON CELLULAR AND MOLECULAR BIOLOGY OF CANCER

The University of California at Los Angeles will sponsor the following symposia on Molecular and Cellular Biology: Growth Regulation of Cancer, January 17 to 23, 1987, Park City, Utah; Steroid Hormone Action, January 17 to 23, Park City, Utah; Recent Advances in Leukemia and Lymphoma, January 25 to 31, Keystone, Colorado; Human Retroviruses, Cancer and AIDS: Approaches to Prevention and Therapy, April 1 to 6, Keystone, Colorado; Tumor Progression and Metastasis, April 6 to 12, Keystone, Colorado; Altered Glycosylation in Tumor Cells, April 6 to 12, Keystone, Colorado. For those symposia held in January, the abstract submission deadline is October 3, 1986; for those held in April, the deadline is December 12. For further information, contact: UCLA Symposia, Molecular Biology Institute, University of California, Los Angeles, CA 90024. Telephone: (213)206-6292.

Recent Death

We regret to announce the death of Dr. Forde A. McIver of Charleston, South Carolina. Dr. McIver was a member of the American Association for Cancer Research.

SIXTY-NINTH ANNUAL MEETING OF THE AMERICAN RADIUM SOCIETY

The Sixty-ninth Annual Meeting of the American Radium Society will take place on April 6 to 10, 1987, in London, England. For more information, contact: Suzanne Bohn, Executive Secretary, American Radium Society, 925 Chestnut Street, Philadelphia, PA 19107. Telephone: (215)574-3179.

FIFTH INTERNATIONAL CONFERENCE OF SCIENTIFIC EDITORS

The Fifth International Conference of Scientific Editors, entitled "Publications as an Integral Part of Scientific Research," will take place from June 14 to 19, 1987, in Hamburg, the Federal Republic of Germany. This conference is presented by the International Federation of Scientific Editors Association. For more information, contact: Dr. W. P. Kirchner, Bundesforschungsanstalt für Fischerei, Information/Dokumentation, Palmaille 9, D-2000 Hamburg 50, Federal Republic of Germany. Telephone 040/38 90 51 13. In the U. S. contact: Dr. Elizabeth Zipf. Telephone: (215)587-4815.

FUTURE MEETINGS OF THE AMERICAN ASSOCIATION FOR CANCER RESEARCH

The dates and sites for future annual meetings of the American Association for Cancer Research are: May 20 to 23, 1987, Atlanta, Georgia; May 25 to 28, 1988, New Orleans, Louisiana; May 24 to 27, 1989, San Francisco, California; May 16 to 19, 1990, Washington, DC; May 15 to 18, 1991, San Antonio, Texas; and May 13 to 16, 1992, San Diego, California.
