### EIGHTY-THIRD ANNUAL MEETING OF THE AMERICAN ASSOCIATION FOR CANCER RESEARCH, INC.

The regular scientific sessions of the 83rd Annual Meeting of the American Association for Cancer Research, Inc., will be held at the San Diego Convention Center, San Diego, CA, from Wednesday, May 20, 1992, through Saturday, May 23, 1992. The tentative schedule of events calls for the scientific sessions to begin at 8:00 a.m. on May 20 and to conclude on the afternoon of May 23 with several methods workshops. It is hoped that the scheduling of sessions through Saturday afternoon will enable registrants to take advantage of special airfares. Please note that the AACR meeting will follow that of the American Society of Clinical Oncology which is to be held May 17-19, 1992, in the San Diego Center.

AACR members and interested nonmembers are encouraged to register in advance of the meeting. During the Fall of 1991, forms for this purpose were mailed to all AACR members as well as to nonmembers who have attended previous AACR meetings. Forms will also be published in the November 15, 1991, through the March 15, 1992, issues of *Cancer Research*. Additional forms may be obtained by writing to the office of the American Association for Cancer Research. On-site registration will be conducted in San Diego, beginning on the afternoon of Tuesday, May 19, 1992, and will continue throughout the meeting.

The deadline for submitting abstracts for presentation at the meeting was December 6, 1991. Abstracts submitted in conformity with regulations and accepted by the Program Committee for presentation at the annual meeting will be published in the March 1992 *Proceedings of the American Association for Cancer Research*.

Forms for the AACR Employment Register were mailed to members in the Fall and also appeared in the November 15, December 1, December 15, and January 1 issues of *Cancer Research*. Registered employers and candidates will be able to place listings in the *Proceedings* and in two issues of *Cancer Research*. The Association will schedule appointments for employers and candidates during the annual meeting upon request. To ensure full participation in the Employment Register, forms should have been submitted to the Association Office by January 27, 1992.

Further information may be obtained from the office of the American Association for Cancer Research, Public Ledger Building, 620 Chestnut Street, Suite 816, Philadelphia, PA 19106-3483. Telephone: 215-440-9300; FAX: 215-440-9313.

### AACR SPECIAL CONFERENCES IN CANCER RESEARCH

A number of meetings are now being organized in the AACR's new series of smaller scientific meetings. The topics, dates, locations, and program committees for these meetings are given below. When full details of each meeting are available, AACR members will be the first to receive complete brochures and application forms for participation in these important conferences. Nonmembers may receive this information by sending their names and addresses to Meetings Mailing List, American Association for Cancer Research, Public Ledger Building, 620 Chestnut Street, Suite 816, Philadelphia, PA 19106-3483.
