EIGHTY-FOURTH ANNUAL MEETING OF THE AMERICAN ASSOCIATION FOR CANCER RESEARCH, INC.

The regular scientific sessions of the 84th Annual Meeting of the American Association for Cancer Research, Inc., will be held at the Orange County Convention Center, Orlando, FL, from Wednesday, May 19, 1993, through Saturday, May 22, 1993. The tentative schedule of events calls for the scientific sessions to begin at 8:00 a.m. on May 19 and to conclude on the afternoon of May 22 with several methods workshops. It is hoped that the scheduling of sessions through Saturday afternoon will enable registrants to take advantage of special airfares. Please note that the AACR meeting will follow that of the American Society of Clinical Oncology which is to be held May 16-18, 1993, in the Orange County Center.

AACR members and interested nonmembers are encouraged to register in advance of the meeting. During the Fall of 1992, forms for this purpose will be mailed to all AACR members as well as to nonmembers who have attended previous AACR meetings. Forms will also be published in the November 15, 1992, through the March 15, 1993, issues of *Cancer Research*. Additional forms may be obtained by writing to the office of the American Association for Cancer Research. On-site registration will be conducted in Orlando, beginning on the afternoon of Tuesday, May 18, 1993, and will continue throughout the meeting.

The deadline for submitting abstracts for presentation at the meeting will be December 4, 1992. Abstracts submitted in conformity with regulations and accepted by the Program Committee for presentation at the annual meeting will be published in the 1993 *Proceedings of the American Association for Cancer Research*. Subscribers to the journal *Cancer Research* will be mailed a copy of the *Proceedings* in April. Additional copies will be available at the meeting.

Forms for the AACR Employment Register will be mailed to members in the Fall and will also appear in the November 15, December 1, December 15, and January 1 issues of *Cancer Research*. Registered employers and candidates will be able to place listings in the *Proceedings* and in two issues of *Cancer Research*. The Association will schedule appointments for employers and candidates during the annual meeting upon request. To ensure full participation in the Employment Register, forms should be submitted to the Association Office by January 25, 1993.

Further information may be obtained from the office of the American Association for Cancer Research, Public Leader Building, 620 Chestnut Street, Suite 816, Philadelphia, PA 19106-3483. Telephone: 215-440-9300; FAX: 215-440-9313.
