The article entitled "Effects of Cancer Immunotherapy with Indomethacin and Interleukin-2 on Murine Hemopoietic Stem Cells," by M. N. Saarloos, N. K. S. Khoo, and P. K. Lala, which appeared in the December 1, 1992 issue of *Cancer Research* (pp. 6452–6462), contains an error in the legends to Figs. 4, 8, and 9. The symbols denoting the pattern in the vertical bars for Indo + IL-2 in all three figures should have read (▣▣▣).

The article entitled "Evidence for the Involvement of a Potential Second Tumor Suppressor Gene on Chromosome 17 Distinct from *p53* in Malignant Astrocytomas," by A. Saxena, W. C. Clark, J. T. Robertson, B. Ikejiri, E. H. Oldfield, and I. U. Ali, which appeared in the December 1, 1992 issue of *Cancer Research* (pp. 6716–6721), contains two errors in Table 2 under the "Mutation" heading. The transversions convert codon TTT to TTG (TTC in the table is incorrect) in tumor #2 (line 1) and codon CTG to CGG (CCG in the table is incorrect) in tumor #13 (line 3).
