Tsai, P. W. Nichols, T. Horn, G. G. Hermann, K. Steven, R. K. Ross, M. C. Yu, and P. A. Jones, which appeared in the March 1, 1993 issue of *Cancer Research* (pp. 1162–1166), contains an error in Table 2 under the “Base change” heading. The base change for patient B31 next to codon 287 incorrectly read GAG→ACA. It should have read GAG→GAA.
