## Erratum

In the article by R. T. Mulcahy *et al.*, which appeared in the November 1, 1995 issue of *Cancer Research* (pp. 4771–4775), the units provided in the label of the X-axis in Figure 3B are incorrect. The label for that axis should read "TOTAL GSH (ng/μg prot)" and not "TOTAL GSH (nmol/mg prot)" as published. This error does not alter any of the conclusions made in the paper.
