CORRIGENDUM

Corrigendum to: Physician and patient perceptions of cultural competency and medical compliance
S. Ohana and R. Mash

On page 932 of the published version of this article, the reference citation ‘Shapiro and Morrison [30]’ should be ‘Shapiro and Morrison [31]’. On page 933, the reference citation in the sentence ‘Cultural competence may reduce disparities and encourage cooperation between medical staff and patients [30]’ should be ‘Cultural competence may reduce disparities and encourage cooperation between medical staff and patients [31]’.

The authors apologize for these errors.
