Erratum. Blood and Islet Phenotypes Indicate Immunological Heterogeneity in Type 1 Diabetes. Diabetes 2014;63:3835–3845

DOI: 10.2337/db15-er09a

In the article listed above, there are two errors in the RESEARCH DESIGN AND METHODS section.

In the section with the heading “Studies on Islet-Infiltrating Leukocytes,” the antibody listed as #M0701 should be attributed to Dako and not to Abcam and the Abcam rabbit anti-CD8 catalogue number should read #ab4055 and not #GR404-4.

The online version reflects these changes.
