PROFESSIONAL EDUCATION

The American Diabetes Association offers a variety of continuing education opportunities and materials for health care professionals. Educational offerings include live and free online programs. For more information, including a complete list of American Diabetes Association programs, please visit professional.diabetes.org/ce.

SCIENTIFIC SESSIONS

The 77th annual American Diabetes Association Scientific Sessions will be held in San Diego, California, on 9–13 June 2017, at the San Diego Convention Center. The largest of its kind, this meeting brings together scientists and health care professionals from around the world who are involved in diabetes research and care. Attendees choose from over 3,000 original presentations given by leading experts in the field. For more information, please visit scientificsessions.diabetes.org.

32nd ANNUAL CLINICAL CONFERENCE ON DIABETES

The 32nd Annual Clinical Conference on Diabetes will be held in Orlando, Florida, on 25–28 May 2017, at Rosen Shingle Creek. It will provide a comprehensive update on the treatment of diabetes, cardiovascular disease, obesity, and comorbidities. The ADA Clinical Conference is developed

specifically to provide current clinical information utilizing different teaching methods, including didactic general sessions and small-group, interactive learning opportunities. For more information, please visit <http://professional.diabetes.org/ce>.

DIABETES IS PRIMARY

Webcasts from the latest Diabetes is Primary event are available. Held in conjunction with the 76th annual Scientific Sessions, the American Diabetes Association brought together health care professionals interested in the clinical management of diabetes and its complications for an innovative educational initiative developed specifically for the primary care community. The presentations offer information and tools needed to improve patient outcomes through patient engagement. To access the webcasts, please visit <http://professional.diabetes.org/ce>.

DIABETES CORE UPDATE PODCASTS

Diabetes Core Update is a monthly audio podcast devoted to presenting and discussing the latest clinically relevant articles from the American Diabetes Association's scholarly journals. *Diabetes Core Update* audio podcasts are free and can be accessed through iTunes or RSS feed. For more information, please visit www.diabetesjournals.org/content/diabetes-core-update-podcasts.
