In article cited above, the cell description “CD44⁻CD62L⁻ (naive)” mistakenly appeared throughout the legend of Fig. 4; the correct term is CD44⁻CD62L⁺ (naive). In Fig. 7B, the y-axis was inadvertently labeled “T_{cm}:T_{eff} + T_{em} Ratio” and should have appeared as “T_{eff} + T_{em}:T_{cm} Ratio.”
