In Table 2 of the above-cited article, the data column for placebo group ($N = 20$) for the single ascending dose (SAD) part of the study did not fall under the SAD column heading due to a composition error. The SAD part of the study included this placebo group.

The editors apologize for the error.

The online version of the article (<https://doi.org/10.2337/db21-0451>) has been updated to correct the error.
