SPECIAL PODCAST: THE IMPORTANCE OF NUTRIENT-DENSE DIETS

In a special two-episode series of “Diabetes Core Update,” the American Diabetes Association podcast for primary care clinicians, Dr. Nikki Ford and expert guests sit down with Dr. Neil Skolnik to discuss the importance of a nutrient-dense diet for diabetes management and risk reduction. This special series is made possible by Fresh Avocados—Love One Today. For more information, please visit diabetesjournals.org/journals/pages/nutrition_podcasts.

CALL FOR SESSION PROPOSALS FOR THE 84TH SCIENTIFIC SESSIONS

The Scientific Sessions Meeting Planning Committee is soliciting high-quality, innovative session proposals for the 84th Scientific Sessions. The committee encourages submissions that are innovative, challenge current treatment paradigms, and represent the latest advances in basic, clinical, and translational science. The submission deadline is 14 August 2023. For more information, please visit professional.diabetes.org/scientific-sessions.

THE LATEST DIABETES TECHNOLOGIES FOR HEALTH CARE PROVIDERS

The American Diabetes Association’s “Making Diabetes Technology Work” free continuing education program is designed to help the diabetes care team on the front lines of primary care master the latest evidence-based recommendations for the implementation and management of cutting-edge diabetes technology. To explore the self-paced online modules, please visit <https://professionaleducation.diabetes.org/ProductInfo/MDTW2023>.

PROFESSIONAL BOOKS SITE

The American Diabetes Association’s professional books library has extended to over thirty books for a more complete research discovery experience. Browse or search today by visiting our professional books website at diabetesjournals.org/books.

SUBMIT ARTWORK FOR THE COVER OF DIABETES CARE

If diabetes has had an impact on your life, whether you have diabetes or care for someone who has diabetes, please consider submitting your original artwork for publication on the cover of an issue of *Diabetes Care*. Artwork submission and selection are completely independent from manuscript submission and the peer review process—artwork sent for consideration on the cover is not required to be related to an article submitted to or published in the journal. *Diabetes Care* will consider images of artwork of any subject or medium. For more information, please visit diabetesjournals.org/care/pages/submit_a_cover_image.

PODCAST: DIABETES CARE “ON AIR”

Diabetes Care “On Air” is the monthly podcast of the American Diabetes Association’s premier clinical research journal *Diabetes Care*. In each episode, co-hosts Alice Cheng, MD, FRCPC, and Michael Rickels, MD, MS, interview key authors of editor-selected feature articles and highlight the latest research presented in *Diabetes Care*. The podcast is intended for diabetes researchers and specialists, endocrinologists, and other health care professionals. Join Alice and Mike as they explore the latest high-impact research and information on diabetes care, treatment, and prevention. Access the most recent episode at diabetesjournals.org/care/pages/diabetes_care_on_air.

PODCAST: DIABETES DAY BY DAY

Diabetes Day by Day is the monthly podcast of the American Diabetes Association’s premier original research journal *Diabetes*. In each episode, co-hosts Neil Skolnik, MD, and Sara Wettergreen, PharmD, BCACP, BC-ADM, discuss the everyday challenges of living with diabetes and will offer advice to overcome those challenges. The podcast is intended for people with diabetes as well as their caregivers. Access the most recent episode at diabetesjournals.org/journals/pages/diabetes_day_by_day.
