The author’s regret to say that they have found two typographical errors in this article. On lines 11 and 12 of the abstract, the FEV₁ and FEV₁/FVC linkages on chromosome 1 are listed as ‘1q’. As noted in the Results on page 1200, column 2, paragraph 5, line 5 and page 1201, column 1, paragraph 1, line 5, the correct location for both of these linkage results is ‘1p’.

The authors apologize for these errors.
