CORRIGENDUM

Affected sib-pair analysis of the contribution of HLA class I and class II loci to development of cervical cancer

Malin Engelmark, Anna Beskow, Jessica Magnusson, Henry Erlich and Ulf Gyllensten

The authors would like to apologize for the following error that appeared in the above article.

In Table 4, the DPB1 allele 2012 should be 0201. This does not, however, affect any conclusion of the article because all analysis was performed on the correct basis.
