

#### ERRATA

In volume 21: 1 Winter 2005 The photographs in the article by Carl Mitcham were all credited to Marylee Mitcham. The photographs on page 39 are by her, of her sculptures from found materials in the Alamo ruins. But the photos on page 36 were taken by Carl Mitcham. The notes on page 36 constituted Marylee Mitcham's reflections on her sculpture work, again found on page 39.
