NOTICE OF RETRACTION

Doxycycline alters the expression of inflammatory and immune-related cytokines and chemokines in human endometrial cells: implications in irregular uterine bleeding

Rongxiu Li, Xiaoping Luo, Qun Pan, Issam Zineh, David F. Archer, R. Stan Williams, and Nasser Chegini

The Journal, as requested by The University of Florida, wishes to retract the above article. An investigation conducted by the Office of Research at the University of Florida found evidence that Nasser Chegini falsified and fabricated data in Figures 1 and 3. This incident of research misconduct alters the interpretation of data presented and the final conclusions drawn in the article.

*Human Reproduction* apologises to its readers, although the Journal accepts no culpability in the publication of this data.
