Correction to: “Skewness in Body fat Distribution Pattern Links to Specific Cardiometabolic Disease Risk Profiles”

In the above-named article by Linge J, Cariou B, Neeland IJ, Petersson M, Rodriguez Á, and Dahlqvist Leinhard O (J Clin Endo Metab. 2024, 109(3), 783-791; doi: 10.1210/clinem/dgad570), there was a typographical error in the supplemental material reference:

In the originally published version of this manuscript, in Reference 22, there was an error in supplemental material reference: “Linge J, Cariou B, Neeland IJ, Petersson M, Rodriguez Á, Dahlqvist Leinhard O. Data from “skewness in body fat distribution pattern links to specific cardiometabolic disease risk profiles”. Endocr Pract. 2023;29(5):S41-S42.” In the corrected article, Reference 22 reads: “Linge J, Cariou B, Neeland IJ, Petersson M, Rodriguez Á, Dahlqvist Leinhard O. Data from “Skewness in body fat distribution pattern links to specific cardiometabolic disease risk profiles.” Mendeley Data, V1. Posted February 1, 2024. https://data.mendeley.com/datasets/4vbj3xfshx/1”

The article has been corrected online.
