Erratum: *Standards of Care in Diabetes—2023* Abridged for Primary Care Providers. Clin Diabetes 2023;41:4–31

American Diabetes Association

https://doi.org/10.2337/cd23-er02a

In Table 2.3 of the article cited above, the hypertension risk factor was incorrectly defined as "≥140/90 mmHg or on therapy for hypertension"; this has been corrected to "≥130/80 mmHg or on therapy for hypertension." More information on updated hypertension guideline recommendations can be found in Section 10 of the complete American Diabetes Association *Standards of Care in Diabetes—2023*, "Cardiovascular Disease and Risk Management" (https://doi.org/10.2337/dc23-S010).

The online version of the article (https://doi.org/10.2337/cd23-as01) has been updated to correct the error.
