

A Sincere Thank You to the Reviewers of *Diabetes Spectrum*

Each year, *Diabetes Spectrum* calls on many scientific and medical experts in the field of diabetes to critically review submitted manuscripts. The journal's editors and staff sincerely appreciate these reviewers, whose valuable feedback helps to ensure the high quality of the research and review articles published in each issue. We would like to take this opportunity to publicly thank all of the reviewers who have volunteered their time and expertise in the past year (1 November 2019 to 31 October 2020) for their contributions to *Diabetes Spectrum*.
