Global spread of carbapenem-resistant *Acinetobacter baumannii*

Paul G. Higgins, Cathrin Dammhayn, Meredith Hackel and Harald Seifert

*J Antimicrob Chemother* 2010; 65: 233–8

The final sentence of the ‘Molecular typing’ section of the Results should have read ‘WW4 had the same pattern as variable group 4 described by Towner et al.*' and not ‘sequence group 2…’. The authors apologize for this error.
