Erratum

Detection of three stable genetic clones of CTX-M-15-producing Klebsiella pneumoniae in the Barcelona metropolitan area, Spain

Alicia Coelho, Beatriz Mirelis, Carles Alonso-Tarrés, María Nieves Larrosa, Elisenda Miró, Raquel Clivillé Abad, Rosa María Bartolomé, Mireia Castañer, Guillem Prats, James R. Johnson, Ferran Navarro and Juan José González-López

In Table 1 there were errors in the amino acid numbering under the QRDR mutations heading: in the GyrA column, S78 should have been S83 and D82 should have been D87; and in the ParC column, S50 should have been S80. The authors apologize for these errors.
