Pharmacokinetics of high dosage of linezolid in two morbidly obese patients

Silvia Corcione, Nicole Pagani, Lorena Baietto, Vito Fanelli, Rosario Urbino, V. Marco Ranieri, Giovanni Di Perri, Antonio D’Avolio and Francesco G. De Rosa

J Antimicrob Chemother 2015; 70: 2417–8

Figure 1 erroneously showed an identical $C_{\text{min}}$ for both patients (please see Figure 1 below, which is a correct version of the figure). The authors apologize for this error.

Figure 1. Patient 1 and Patient 2 linezolid concentration data in 8 h intervals and target $C_{\text{min}}$ (concentrations are expressed in mg/L).
