Erratum

Results from the Survey of Antibiotic Resistance (SOAR) 2014–16 in Ukraine and the Slovak Republic

D. Torumkuney, T. Pertseva, E. Bratus, A. Dziublik, V. Yachnyk, A. Liskova, O. Sopko, K. Malynovska and I. Morrissey

In Table 1, the PK/PD breakpoint for moxifloxacin was incorrectly stated as \( \leq 2 \) mg/L and should have been \( \leq 1 \) mg/L. The data analysis was conducted using the correct breakpoint value and therefore the results in this article are unaffected. The error in Table 1 has now been corrected.

The authors apologize for this error.
