Erratum

RADSeq: next-generation population genetics

Advance Access publication date 11 February 2011

John W. Davey and Mark L. Blaxter

Brief Funct Genomic 2010;9:416–423

In the above article, the author names were originally incorrectly stated as John L. Davey and Mark W. Blaxter, when instead they should have been stated as: John W. Davey and Mark L. Blaxter. The online files will be corrected to reflect this.

The funding statement was also incorrect. The correct funding statement is as follows:

Biotechnology and Biological Sciences Research Council in the UK (grants G00661X and F021135 to J.W.D. and M.L.B.); Medical Research Council (grant MRC G0900740 to M.L.B. and the GenePool Genomics Facility); Natural Environmental Research Council in the UK (NERC R8/H10/56).

The publisher takes responsibility for and apologises for these errors.
