

Cloud Policy

Distribution Matters

Edited by Joshua Braun and Ramon Lobato

The Distribution Matters series publishes original scholarship on the social impact of media distribution networks. Drawing widely from the fields of communication history, cultural studies, and media industry studies, books in this series ask questions about how and why distribution matters to civic life and popular culture.

Emily West, *Buy Now: How Amazon Branded Convenience and Normalized Monopoly*

Robin Steedman, *Creative Hustling: Women Making and Distributing Films from Nairobi*

Anne Kaun and Fredrik Stiernstedt, *Prison Media: Incarceration and the Infrastructures of Work and Technology*

Lee McGuigan, *Selling the American People: Advertising, Optimization, and the Origins of Adtech*

Jennifer Holt, *Cloud Policy: A History of Regulating Pipelines, Platforms, and Data*
