

Reviewer's Recognition

The Editor and Editorial Board of the *ASME Journal of Fluids Engineering* would like to thank all of the reviewers for volunteering their expertise and time reviewing manuscripts in 2023. Serving as reviewers for the journal is a critical service necessary to maintain the quality of our publication and to provide the authors with a valuable peer review of their work. Below is a complete list of reviewers for 2023. We would also like to acknowledge four outstanding Reviewers of the Year.

2023 Reviewers of the Year

Cristian Ferrari— Italian National Research Council, Italy

Puxuan Li— Kansas State University, USA

Mohammad Reza Pendar— University of Victoria, Canada

Burak A. Tuna— Florida State University, USA

The Reviewers of the Year Award is given to reviewers who have made an outstanding contribution to the journal in terms of the quantity, quality, and turnaround time of reviews completed during the past 12 months. The prize includes a Wall Plaque, 50 free downloads from the ASME Digital Collection, and a one year free subscription to the journal.
