Articles in this journal are now assigned a Digital Object Identifier (DOI). A DOI is a unique identifier of an article and can be used either to link to the online version of the article, or as additional information in a citation. Unlike a standard URL, the DOI of an article never changes, and so will work in perpetuity. To use a DOI as a link to the online version of an article, prefix the DOI with http://dx.doi.org/ or go to the dx.doi.org website and enter the DOI. To include the DOI in a citation, insert the DOI at the end of the reference, prefixed with “doi:”.
