environmental and ethical policies

Oxford Journals, a division of Oxford University Press, is committed to working with the global community to bring the highest quality research to the widest possible audience. Oxford Journals will protect the environment by implementing environmentally friendly policies and practices wherever possible. Please see http://www.oxfordjournals.org/ethicalpolicies.html for further information on environmental and ethical policies.

drug disclaimer

All reasonable precautions have been taken by the authors, editors and publisher to verify drug names and doses, the results of experimental work and the clinical findings published in this journal. The opinions expressed are those of the authors, and not necessarily those of the editors or publisher. The ultimate responsibility for the use and dosage of drugs mentioned in Annals of Oncology and in the interpretation of published material lies with the medical practitioner. The editors and publisher can accept no liability whatsoever in respect of any claim for damages arising therefrom. Please inform the editors of any errors.
