MILITARY MEDICINE is the official monthly journal of AMSUS - The Society of Federal Health Professionals. The objective of the Journal is to advance the knowledge of federal medicine by providing a forum for responsible discussion of common ideas and problems relevant to federal healthcare. Its mission is healthcare education, bringing scientific and other information to its readers, facilitating communication, and to offer a prestige publication for members' writings.

Full issues of MILITARY MEDICINE are available online via the AMSUS journal website, academic.oup.com/milmed, to members and subscribers who purchase online access. The print abstract version is available to members and subscribers. Anyone can access the online abstract version of MILITARY MEDICINE via the AMSUS website or AMSUS journal website.

MILITARY MEDICINE is indexed by the United States National Library of Medicine (NLM) and is included in the MEDLARS system, ISSN 0026-4075.
