Cardiovascular Research is the international basic science journal of the European Society of Cardiology. The Journal is concerned with both basic and translational research, across different disciplines and areas, enhancing insight in cardiovascular disease mechanisms and the perspective for innovation. The Journal welcomes submission of papers both at the molecular, subcellular, cellular, organ, and organism level, and of clinical proof-of-concept and translational studies. Manuscripts may be submitted as Original Articles, Rapid Communications, or Reviews. Moreover, the Journal publishes Letters to the Editor and Editorial (the latter are usually invited).

Cardiovascular Research is Abstracted/Indexed in: Biological Abstracts; Chemical Abstracts; Current Contents Life Sciences; Current Contents Clinical Medicine; Index Medicus; Journal Citation Reports®, published by Thomson Scientific; EMBASE/Excerpta Medica; NRN; Biotechnology Abstracts; Nutrition Abstracts; Index to Scientific Reviews; SILC Data Bases.

Aims and Scope

Cardiovascular Research is a peer-reviewed international journal publishing basic research on cardiovascular disease. Manuscripts are only accepted if they are accompanied by a letter of recommendation from a member of the editorial board. Please visit the Instructions for Authors page for further information.

Supplements, reprints and corporate sales
For requests from industry and companies regarding supplements, bulk article reprints, sponsored subscriptions, translation opportunities for previously published material, and corporate online opportunities, please e-mail special.sales@oup.com, fax +44 (0)1865 353774 or visit http://www.oxfordjournals.org/corporate_services/index.html.

Digital object identifier (DOI)
For information about DOIs and to resolve them, please visit http://www.doi.org/

Permissions
For information on how to request permissions to reproduce articles/information from this journal, please visit http://www.oxfordjournals.org/access_purchase/rights_permissions.html.

Advertising
Advertising inserts and artwork enquiries should be addressed to: Advertising and Special Sales, Oxford Journals, Oxford University Press, Great Clarendon Street, Oxford OX2 6DP, UK. Tel.: +44 (0)1865 354767; Fax: +44 (0)1865 353774; E-mail: jnsadvertising@oup.com.

Instructions for authors
Full instructions for manuscript preparation and submission can be found through the Cardiovascular Research home page at: http://www.cardiovascres.oxfordjournals.org.

Drug disclaimer
The mention of trade names, commercial products or organizations, and the inclusion of advertisements in the journal does not imply endorsement by Cardiovascular Research, the editors, the editorial board, Oxford University Press or the organization to which the authors are affiliated. The editors and publishers have taken all reasonable precautions to verify drug names and doses, the results of experimental work and clinical findings published in the journal. The ultimate responsibility for the use and dosage of drugs mentioned in the Journal and in interpretation of published material lies with the medical practitioner, and the editors and publisher cannot accept liability for damages arising from any error or omissions in the Journal. Please inform the editors of any errors.

Material disclaimer
The opinions expressed in Cardiovascular Research are those of the authors and contributors, and do not necessarily reflect those of the European Society of Cardiology, the editors, the editorial board, Oxford University Press or the organization to which the authors are affiliated.
