Correction to: Upcalling behaviour and patterns in North Atlantic right whales, implications for monitoring protocols during wind energy development

This is a correction to: G E Davis, S C Tennant, S M Van Parijs, Upcalling behaviour and patterns in North Atlantic right whales, implications for monitoring protocols during wind energy development, ICES Journal of Marine Science, 2023, fsad174, https://doi.org/10.1093/icesjms/fsad174

In the originally published version of this manuscript, figure 3 was compiled incorrectly. The results are not affected overall, and the correct version of figure 3 is included here.

This error has been corrected online.
