

### Erratum

In the article by Kopelovich *et al.*, entitled "Peroxisome proliferator-activated receptor modulators as potential chemopreventive agents," which appeared in the March 2002 issue of *MCT* (pp. 357–363), Dr. Judith R. Fay's affiliation was listed incorrectly as National Cancer Institute, Division of Cancer Prevention, Bethesda, MD 20892-7322. Dr. Fay's correct affiliation is **CCS Associates, Mountain View, California 94043**.
