Errata

Intraperitoneal hydrostatic pressure and flow characteristics of peritoneal catheters in automated peritoneal dialysis

Renzo Scanziani, Beatrice Dozio, Ivano Baragetti and Serena Maroni

The correct sentence on page 2396 line 16 in column 2 should have read “The correlation between IPP and BMI, which was found by other authors [20]…” and not “The correlation between IPP and BMI, which was not found by other authors [20]…”. The authors would like to apologise for this error.
